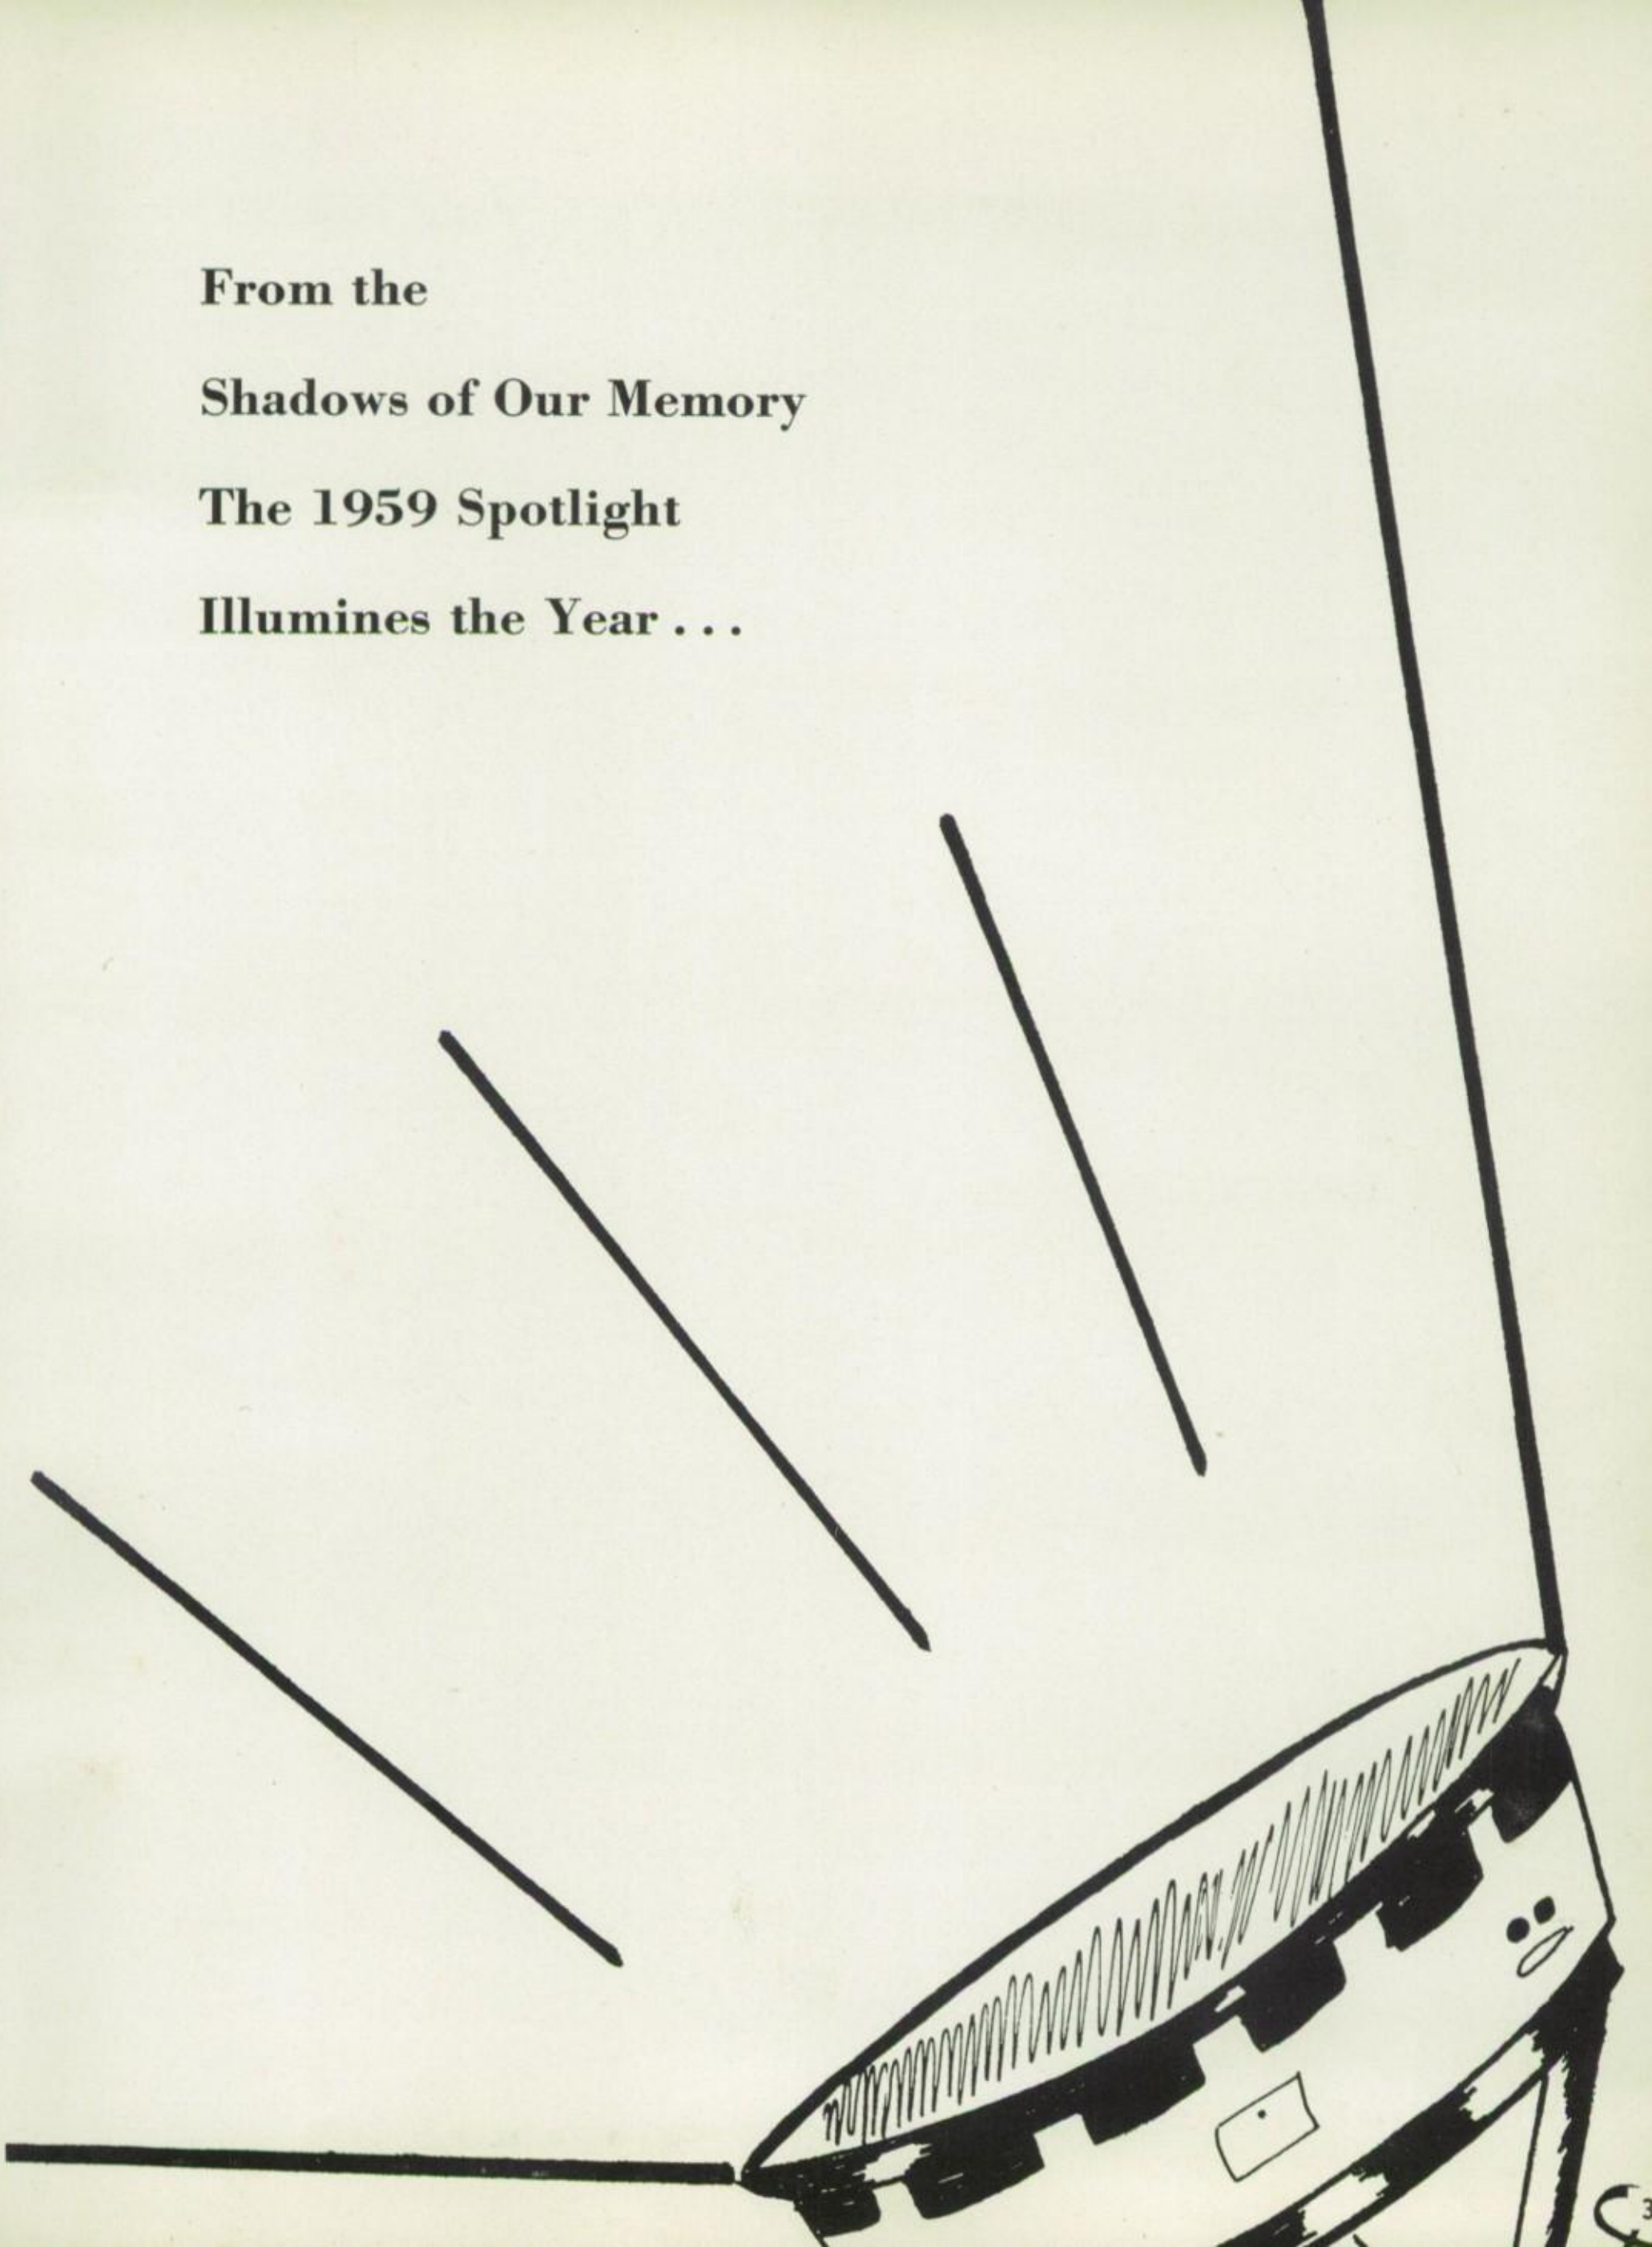
Shadows of Our Memory

The 1959 Spotlight

Illumines the Year . . .



DEDICATION . . . MARGARET HARNESBERGER DEKLE

. . . To seek elegance rather than luxury, and refinement rather than fashion; to be worthy, not respectable, and wealthy, not rich; to study hard, think quietly, talk gently, act frankly; to listen to stars and birds, to babes and sages, with open heart; to bear all cheerfully, do all bravely, await occasions, hurry never. In a word, to let the spiritual, unbidden and unconscious, grow up through the common. This is to be my symphony.

William Henry Channing wrote it. Margaret Dekle lives it.

IN MEMORIAM

WILLIAM OWEN PHILLIPS
1906-1958

Our year began with sadness, with a sense of loss of friends old and new. Our beloved County School Superintendent William Owen Phillips who led us through fourteen and one-half years with devoted service was killed in a tragic accident.

LOTT WHITTEN BISHOP—
1894-1958

Death ended long years of membership on the Emanuel County Board of Education for Lott Whitten Bishop.

MELVIN BRUCE AULT—
1927-1958

Prior to the opening of the Fall semester, Melvin Bruce Ault, newly elected band director, lost his life in an autobile accident shortly after coming to Swainsboro to live.

MR. V. E. GLENN
Principal

In memories of 1959 Mr. V. E. Glenn, our principal, will always be in the light. He is so much a part of our high school days we could not reminisce without recalling—
"The Look"
"Now, boys and girls, remember you are representatives of Swainsboro High School"
"We're just as proud of you as if you'd won"
"Govern yourselves accordingly"
"Let's give them a big hand"
"I do appreciate the boys and girls of Swainsboro High School."

He gave us all a few rough moments, but the good times outnumbered the bad, and in retrospect we realize the benefits gained from a democratic administration.

Mrs. Bishop made life brighter for all of us. If the call to the office were bad news, she sympathized with us. If it were good news, she rejoiced with us. She used a lot of quiet diplomacy to keep us all running smoothly—students, faculty, and administration!

Judicious Juniors and sagacious Seniors answer the roll call of Beta.

Rewarding achievement in scholastics and encouraging students to continue their education through college is surely the most necessary of all education-connected club work. This the Beta Club does, being wisely assisted in this and its other activities by sponsor Mrs. Roy Bowen.

By checking-out, mending, and shelving books and making effective bulletin boards, the Library Assistants make the library more efficient.

Merle Henry brought honor to the club and to S.H.S. through her election to the vice-presidency of the First District Library Assistants.

Confusion of tongues might seem to characterize this class for an outsider, but for Mrs. Scott and her eighth grade students this label would be a big misnomer. The lessons in Spanish, French, Latin, and German just make English seem easier.

Begun as an experiment in the lower classes, the Foreign Language course has earned its permanent place in Swainsboro High's curriculum.

STUDENT-TEACHER BASKETBALL GAME

The student-teacher basketball game has become an annual event at Swainsboro High. Students and teachers alike look forward to this game with joyous anticipation. Actually seeing teachers play basketball and lead excited cheering sections in yells is considered great sport by the students of S.H.S. Fifteen rahs for this event which encourages a better student-teacher relationship.

Martha Ann!

I don't know how to start this. I have so much to say and don't know how to say it. I can start off by saying that you have meant more to me than any sister could ever had meant. You have been my right arm many times. I don't know what I would have done many times unless I had had you to talk to and your shoulder to cry on. I truly hope that you will have the best life has to offer and I sincerely think that Burl is a good boy and will be good to you. If you ever need anything are want someone to talk to you I am always ready to listen or help. Just remember you have half of my heart wherever you are so take good care of it.

Love always

Patsy
